Source: CERRA, SC Annual Educator Supply & Demand Survey, 2022-23. Data (in FTEs) are reported by SC school districts at the beginning of each school year.

Notes: Teaching positions are held by certified educators who provide instruction in a classroom setting. Service positions are held by certified educators who provide instruction and support in a school setting (librarians, counselors, psychologists, and speech language pathologists). Departures refer to certified educators from 2021-22 who did not return to a teaching/service position in the same district for the 2022-23 school year.
